6.	Investment Strategy	The investment strategy for the Scheme would be to actively manage a diversified portfolio of stocks without bias towards market capitalization to generate opportunities for long-term growth in capital. The portfolio will seek to have a mix of all market capitalization (Large, Mid and small) segments in varying proportions depending on outlook. Any stock will be analysed for its investments merits – competitive position, earnings growth, management quality etc. prior to inclusion in portfolio and will be monitored on an on-going basis. This will help to identify fundamentally sound companies that have long-term growth potential at reasonable prices while also exploiting short-term trading opportunities that may arise from time to time. The returns would be commensurate with the levels of risk taken in the portfolio and the portfolio would be structured to incorporate reasonable liquidity by the use of cash and cash equivalents. B. Creation of Segregated Portfolio

SEBI has allowed creation of segregated portfolio of debt and money market instruments by mutual fund schemes. The IDBI AMC may create segregated portfolio in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA). Creation of segregated portfolio shall be subject to guidelines specified by SEBI from time to time and includes the following:

- The term 'segregated portfolio' shall mean a portfolio comprising of debt or money market instrument affected by a credit event that has been segregated in a mutual fund scheme.
- The term 'main portfolio' shall mean the scheme portfolio excluding the segregated portfolio.
- The term 'total portfolio' shall mean the scheme portfolio including the securities affected by the credit event.

Benefits of Creation of Segregated Portfolio:

Creation of Segregated portfolio helps ensuring fair treatment to all investors in case of a credit event and helps in managing liquidity risk during such events

Procedure to create a segregated portfolio

- Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:
 - Downgrade of a debt or money market instrument to 'below investment grade', or
 - Subsequent downgrades of the said instruments from 'below investment grade', or
 - Similar such downgrades of a loan rating
- Segregated portfolio may be created on an event as specified by SEBI from time to time.
- In case of unrated debt or money market instruments of an issuer that does not have any outstanding rated debt or money market instruments, segregated portfolio of such unrated debt or money market instruments may be created only on actual default of either the interest or principal amount
- In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of segregated portfolio shall be based on issuer level credit events as mentioned above and implemented at the ISIN level.
- Creation of segregated portfolio is optional and is at the discretion of the IDBI AMC.

Process for Creation of Segregated Portfolio

- On the date of credit event, the IDBI AMC shall decide on creation of segregated portfolio. Once AMC decides to segregate portfolio, it shall:
 - Seek approval of trustees prior to creation of the segregated portfolio.
 - Immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. The AMC will also disclose that the segregation shall be subject to Trustee approval. Additionally, the said press release will be prominently disclosed on the website of the IDBI AMC.
 - Ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme will be suspended for processing with respect to creation of units and payment on redemptions.
- Once Trustee approval is received by the IDBI AMC:
 - Segregated portfolio will be effective from the day of credit event
 - IDBI AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information will also be submitted to SEBI.
 - An e-mail or SMS will be sent to all unit holders of the concerned scheme.
 - The NAV of both segregated and main portfolios will be disclosed from the day of the credit event.
 - All existing investors in the scheme as on the day of the credit event will be allotted equal number of units in the segregated portfolio as held in the main portfolio.
 - No redemption and subscription will be allowed in the segregated portfolio. However, upon recovery of any money from segregated portfolio, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio.
 - In order to facilitate exit to unit holders in segregated portfolio, AMC should enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests
- If the trustees do not approve the proposal to segregate portfolio, IDBI AMC will issue a press release immediately informing investors of the same.

Valuation

Notwithstanding the decision to segregate the debt and money market instrument, the valuation shall take into account the credit event and the portfolio shall be valued based on the principles of fair valuation (i.e. realizable value of the assets) in terms of the relevant provisions of SEBI (Mutual Funds) Regulations, 1996 and circular(s) issued thereunder.

Processing of Subscription and Redemption Proceeds

All subscription and redemption requests for which NAV of the day of credit event or subsequent day is applicable will be processed as under:

- Upon trustees approval to create a segregated portfolio –
 - Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
 - Investors subscribing to the Scheme will be allotted units only in the main portfolio based on its NAV.
- In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio.

Disclosure

In order to enable the existing as well as the prospective investors to take informed decision, the following shall be adhered to:

- A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event shall be communicated to the investors within 5 working days of creation of the segregated portfolio.
- Adequate disclosure of the segregated portfolio shall be made in all scheme related documents, in fortnightly, monthly and half-yearly portfolio disclosures and in the annual report of the mutual fund and the Scheme.
- The Net Asset Value (NAV) of the segregated portfolio shall be declared on daily basis.
- The information regarding number of segregated portfolios created in the Scheme shall appear prominently under the name of the Scheme at all relevant places such as SID, KIM-cum-Application Form, advertisement, AMC and AMFI websites, etc.
- The Scheme performance required to be disclosed at various places shall include the impact of creation of segregated portfolio. The Scheme performance should clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery (ies), if any, shall be disclosed as a footnote to the Scheme performance.
- The disclosures at paragraph (d) and (e) above regarding the segregated portfolio shall be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.
- The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.

TER for the Segregated Portfolio

- IDBI AMC shall not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.
- The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.
- The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
- The costs related to segregated portfolio shall in no case be charged to the main portfolio.

Monitoring by Trustees

In order to ensure timely recovery of investments of the segregated portfolio, Trustees would ensure that:

- The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
- Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
- In order to avoid mis-use of segregated portfolio, trustees will ensure to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.
- The Trustees will monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.

Risk factors associated with Creation of Segregated Portfolio

- Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer.
- Security comprises of segregated portfolio may not realize any value.
- Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

All references to the above revision will be suitably incorporated in Scheme Information Document (SID) and Key Information Memorandum (KIM) of the Scheme. Apart from the above revision, all other features and attributes of the Scheme, IDBI Diversified Equity Fund will continue to remain the same.

All unit holders are requested to note that the above proposed revision in the Scheme will come into effect from **January 30, 2021** (Effective Date). In view of the above changes in fundamental attributes of IDBI Diversified Equity Fund, existing unitholders who are not in agreement to the said changes are given an option to redeem their units at applicable NAV or switch to other schemes of IDBI Mutual Fund without payment of exit load between **December 31, 2020 to January 29, 2021** (both days inclusive) as per Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996.

If the unitholders do not exercise their option to exit or switch-out on or before **January 29, 2021** (upto 3.00 p.m.), they shall be deemed to have consented to the proposed changes.

Unitholders wishing to exit or switch-out their units from the scheme can submit the application at any of the Official Point of Acceptance of IDBI Mutual Fund on any business day during the exit period. The application received will be processed at NAV as on the date of receipt of application subject to applicable cut-off time.

Unitholders who have registered to systematic investment/transfer facilities into the Scheme but do not wish to continue their future investment into the Scheme, must apply for cancellation of their systematic investment/transfer facilities registrations.

In case of application for redemption, the redemption proceeds will be mailed /credited within 10 business days of receipt of valid redemption request. Unitholders may note that the offer to exit is merely an option and not compulsory. However, the exit option will not be available to those unitholders who have pledged their units and on which the Mutual Fund has marked a lien unless the release of pledge is obtained and communicated to the Mutual Fund / Registrar before applying for redemption/Switch-out.

Securities Transaction Tax will be borne by AMC during the exit period.

Unitholders should ensure that any change in address, bank details required by them, are updated in the Fund's records before exercising the exit option. Redemption / switch-out by the Unit holders due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. In view of the individual nature of the implications, each Unit holder is advised to consult his or her own tax advisor.

The updated Scheme Information Document (SID) & Key Information Memorandum (KIM) of IDBI Flexi Cap Fund shall be made available with our Investor Service Centres (ISCs) and shall be displayed on the website www.idbimutual.co.in immediately after completion of duration of the exit option.

This notice forms an integral part of the Scheme Information Document and Key Information Memorandum of IDBI Flexi Cap Fund as amended from time to time.

Investors are requested to contact any of the Investor Service Centres (ISCs) of IDBI Mutual Fund for further details.
