How to identify a valid UPI handle?

How does the introduction of new validated UPI handles affect investors?

- **Existing Systematic Investment Plans (SIPs)**
Your existing SIPs will continue. No changes are required, and your ongoing investments remain unaffected.
- **New SIPs registrations, renewals, or fresh investments**
Your payments will be routed through the new @valid UPI handles and you will be able to view LIC Mutual Fund’s registered and validated UPI handle while authorising the payment / mandate on your UPI app.

LIC Mutual Fund has implemented **@valid UPI IDs** across all investor platforms. These validated UPI IDs make it easy to invest safely and securely, whether you invest online, through the app, or via other channels.

Mutual fund investments are subject to market risks, read all scheme related documents carefully.
